Joe Miller Award

Joe Miller, Sr. dedicated endless hours to Waunakee Wrestling in the late 60's and early 70's. Joe Sr. drove the bus, kept all the stats, and did whatever was needed for the program when the Waunakee wrestling program was in it's infancy. He did this for years after his children were through school. He was a father of one of the original Waunakee Wrestling families. His boys, "Joey" (Jr.) and David wrestled, and his girls, Mary, Laurie, and Sue and were Joey's personal cheerleaders. If there were girls wrestling in those early years, they would have been on the mat. (Joey and another familiar face, Rich H, were masters of the "head shuck".) Joey passed away suddenly last November. At his memorial, a very heavy scrapbook with wrestling pictures, awards, and news articles were there for all to see. Many Warrior alumni were there to pay their respects. The Miller Family helped sustain the image we hold true todaythat there is a long history of families who live and love Waunakee Wrestling. Mrs. Miller, Shirley as most know her, can be seen walking the sidewalks of Waunakee today, and most certainly recalls many memories of her family and their wrestling years. You may not have known Joe or Joey, but their spirit lives on in the Warrior Wrestling room.

Jon Mulhern Award

This award is given as a remembrance of Jon Mulhern's dedication and hard work in the sport he loved. Jon practiced endlessly and on occasion had to be ask to "turn the lights off when you leave." He would find someone to stay to drill or do vertical pushups in the middle of the dimly lit gym. He was skinny, but feisty, and endured his first three years hoping to someday weigh 98 lbs.! As a senior, Jon whipped more than his share of 'studs' owing his success to 'never giving up' and desire to be as good as he could be. He was tragically killed in an automobile accident after his graduation. Jon also was a member of a Wrestling family. Brothers Jeff and Jay also wrestled, and parents Jim and Colletta were strong supporters of Waunakee Wrestling. Jon's nephews Brent and B.J. (Davenport) lived wrestling and had successful careers as Warriors. It all started with Jon ... and the family perpetuated his desire to be as great as you can be. Hopefully, the Jon Mulhern award will inspire other Warriors to achieve their highest goal.
